MX3

CONTACT US

## MX1

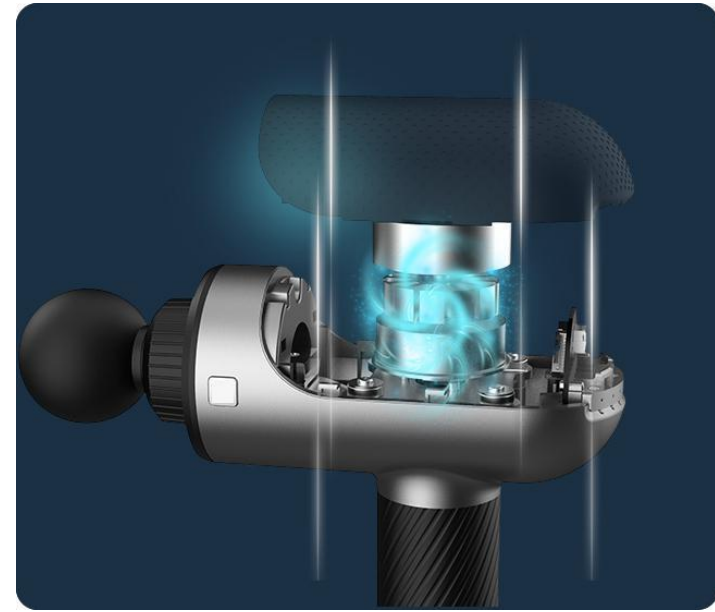

The MX1 is a fascia gun that is very suitable for professional fitness and sore body parts due to fatigue person. 32 gears of hitting intensity can be selected by twisting the knob, and the maximum speed can reach 3200RPM, which can satisfy all parts of the body with different degrees of sensitivity.

---

MX1

## High power brushless motor

28V high torque brushless motor, up to 3200RPM, every hit can reach the depth of muscle.

## 11mm Deep Massage

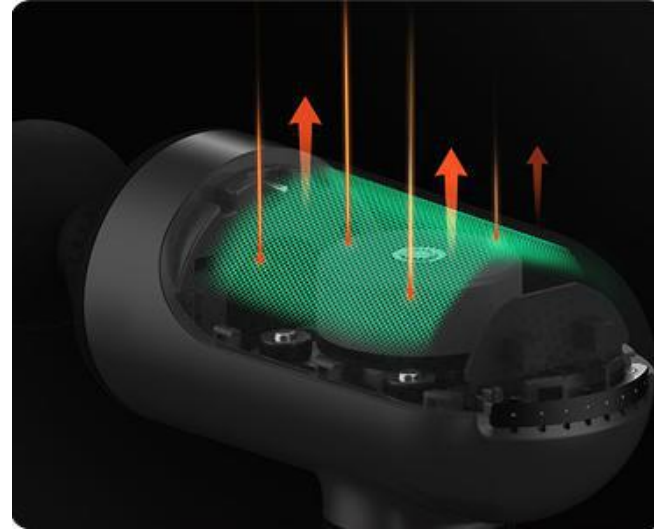

With 11mm hitting, it can effectively reduce muscle stiffness and soreness. Promote blood circulation and range of motion, improve body soft tissue health.

MX1

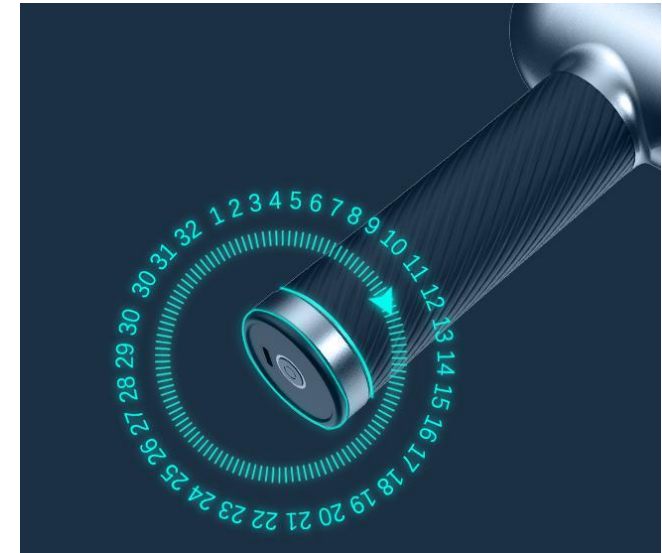

## Heat Dissipation Design

The heat dissipation and ventilation system can ensure the motor to run at high speed for a long time. The inner layer is equipped with a microfiber protective net to prevent dust and sweat from entering the inside of the fuselage.

## 32 gears adjustment

Only suitable and precise strength can bring comfort massage, can turn the knob to find the best strength during 32 gears.

MX1

## Easy to grasp

---

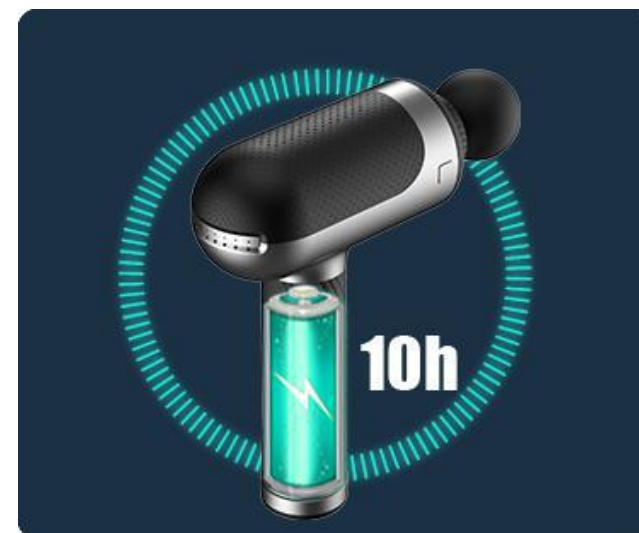

The surface of the handle is designed with textures, which is easy to grasp, and the surface is sprayed with rubber paint to make the touch softer.

## Long battery life

---

10 hours long-lasting battery life in typical mode, which can meet nearly a month of use.

# SPECIFICATION

PICTURE	Model No.	Basic Feature	
	MX1		Plastic housing, black color part with rubber painting for anti-slop, other parts dark silver color
		<b>Motor</b>	24V brushless motor, 1500~3200RPM
		<b>Hit Depth</b>	11mm
		<b>Speed</b>	32 speed, clockwise rotate to increase gear, counterclockwise to reduce gear.
		<b>Battery</b>	2600mAh, typical use for one week (max speed, 20mins every day)
		<b>LED</b>	every 4 gear light 1 LED, total 8 LED indicator, white color. 1 LED for power status, dual color, red and green.
		<b>Noise</b>	45dB
		<b>Charging</b>	3.5H, Micro USB port
		<b>Weight</b>	2 lbs
		<b>Massage head</b>	Spherical head*1, U-shape head*1; conical head*1, flat head*1
		<b>Packing list</b>	Gift box*1; Sleeve*1; User manual*1; USB cable*1; drawstring bag*1
		<b>Working temperature</b>	0°C~+50°C
		<b>Working Humidity</b>	0%~90%RH
		<b>Storage temperature</b>	-30 °C to 60 °C
<b>Certificate</b>	CE, FCC and RoHS		

## MX2

The MX2 is a fascia gun that is beginners.5 gears of hitting intensity can be adjusted and the maximum speed can reach 3200RPM, which can satisfy all parts of the body with different degrees of sensitivity.

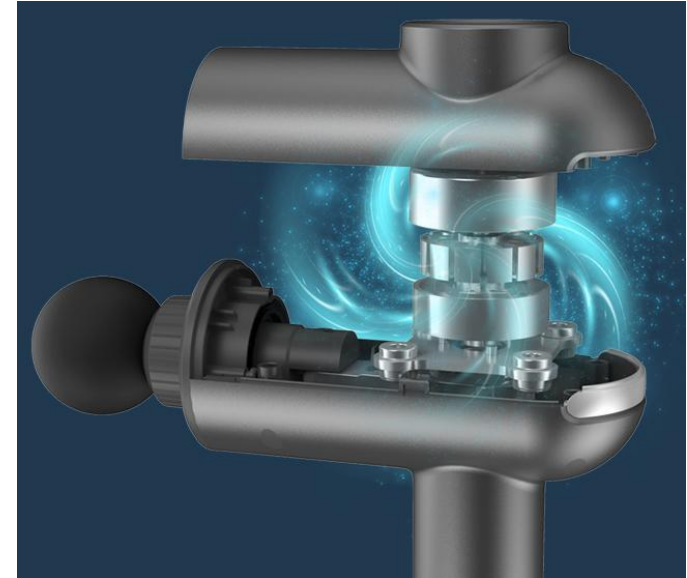

---

MX2

## High power brushless motor

28V high torque brushless motor, up to 3200RPM, every hit can reach the depth of muscle.

## Quick Heat Dissipation

Cooling and ventilation system ensure brushless motor run at a high speed for a long time.

MX2

## Five gears adjustment

Only suitable and precise strength can bring comfort massage, you can press the power button to find the best gear .

## Long battery life

10 hours long-lasting battery life in typical mode, which can meet nearly a month of use.

# SPECIFICATION

PICTURE	Model No.	Basic Feature	
	MX2		Plastic housing, whole housing with rubber painting, dark gray color
		<b>Motor</b>	24V brushless motor, 1500~3200RPM
		<b>Hit Depth</b>	11mm
		<b>Speed</b>	5 speed, switch by press power button
		<b>Battery</b>	2600mAh, typical use for one week (max speed, 20mins every day)
		<b>LED</b>	1 LED for power status, dual color.
		<b>Noice</b>	45dB
		<b>Charging</b>	3.5H, Micro USB port
		<b>Weight</b>	1.68 lbs
		<b>Massage head</b>	Spherical head*1, U-shape head*1; conical head*1, flat head*1
		<b>Packing list</b>	Gift box*1; Sleeve*1; User manual*1; USB cable*1; drawstring bag*1
		<b>Working temperature</b>	0°C~+50°C
		<b>Working Humidity</b>	0%~90%RH
		<b>Storage temperature</b>	-30 °C to 60 °C
<b>Certificate</b>	CE, FCC and RoHS		

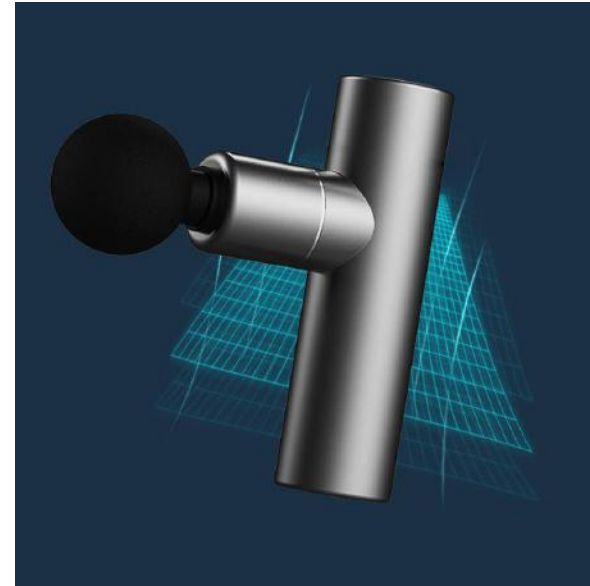

## MX3

The MX3 is designed for the women and elderly people. Its weight is only 519g and its size is as big as iPhone 12. Therefore, it is easy to pick up and convenient to carry out. You can relax anytime anywhere.

MX3

## Aluminium Alloy Body

Heat dissipation fast, high quality texture, feel smooth when touching.

## Adopt Brushless Motor

28v strong torsion, 3200 RPM high speed, every blow goes deep into various parts of the body, so that accurately relieve muscle soreness.

MX3

## Ultra Mini Design

14.7cm small size,519g super light,which makes it easy to pick up for women or elder people and convenient to carry out.

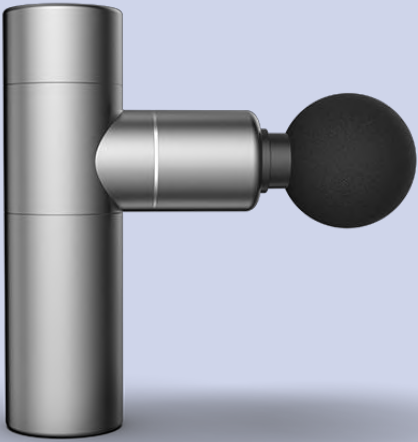

## 5 gears adjustment

Adjustable 5 speed change optional, after strict body muscle and bone stress theory design, to meet the needs of different groups of massage.

# SPECIFICATION

PICTURE	Model No.	Basic Feature	
	MX3	<b>Housing</b>	Metal housing, whole body anodizing with dark gray color
		<b>Motor</b>	24V brushless motor, 1500~3200RPM
		<b>Hit Depth</b>	11mm
		<b>Speed</b>	5 speed, switch by press power button
		<b>Battery</b>	2600mAh, typical use for one week (max speed, 20mins every day)
		<b>LED</b>	1 LED for power status, dual color.
		<b>Noice</b>	45dB
		<b>Charging</b>	3.5H, Micro USB port
		<b>Weight</b>	1.15 lbs
		<b>Massage head</b>	Spherical head*1, U-shape head*1; conical head*1, flat head*1
		<b>Packing list</b>	Gift box*1; Sleeve*1; User manual*1; USB cable*1; drawstring bag*1
		<b>Working temperature</b>	0°C~+50°C
		<b>Working Humidity</b>	0%~90%RH
